## Experience

### Childminder

**Dublin | Mar 2015 - Jul 2018**

I started working with this Italian/Irish family when the children were 18 months and 6 years old.

- I looked after completing homework with the eldest child
- I entertained the children through baking, arts & crafts and outdoor activities

### Holiday Nanny

**Riccione/Cancun | May 2014 - Mar 2019**

I travelled with an Italian family to support the mom with the 2 young children under 6 years old. I have travelled on 3 separate family holidays with this family in Italy and Mexico.

- Played with the children in English during the day at the beach and in the apartment
- Helped with grocery shopping and daily holiday duties
- Prepared the children in the evening for dinner

### English Sitters

**Milan Centre | Feb 2015 - Sep 2017**

After gaining experience babysitting and teaching in Italy, I decided to start my own little venture in the area of babysitting.

- Worked with several families helping children at different levels learn and play in English
- Prepared games and a curriculum to suit each child's need

### English Tutor SG.Sport

**Arese, Milan | Jul 2014**

This was an Italian sports camp and I was the main English tutor.

- Introduce English within daily activities to the baby group, ranging from 2-5 years old
- At interview stage I was asked to prepare an English plan for the entire summer camp, based on sporting and outdoor activities

### Dream Show Summer Camps

**Milan Centre | May 2013 - Aug 2015**

This summer position was based in schools all around Milan in June, July. It included an extensive teaching training course, covering aspects such as teaching preparation and techniques.

- Creating teaching plans which incorporated a wide variety of educational activities to introduce, engage, and motivate students towards the English language
- Adapting teaching plans to suit the age range of students
- Teaching and organising classes of 20+ students on a daily basis

### Private Nanny

**Milan Centre | Sep 2011 - May 2012**

I spent 9 months working as a nanny for an American Family in Milan. I had responsibility of their 4 year old daughter.

- School collection
- Bringing her to/from activities
- Organizing playdates with her friends
- Bath/Bedtime
- Occasionally cooking
- I also cared for their new born baby, occasionally, when needed

### Aupair

**Arese, Milan | Jun 2007- Aug 2016 (summer months)**

I worked with an Italian family in Arese with their 9 year old and new born. I returned to the family every summer for 9 years.

- Helped the eldest child with her daily and summer homework
- Played games and created activities for both the children to learn English through play
- I was part of the family and travelled with them on vacation

## COMPETENCIES

- Excellent working experience with all age groups
- Able to work instinctively with great initiative
- Flexible and reliable approach to work
- Willingness to continue my training and development
- Enthusiastic and loving
- A keen interest in children and their learning journey
- Dean's Academic Excellence Award. Recipient 17/18.
- Strong level of spoken Italian.
